Part IV, line 2b:

The organization acts as a trustee for funds transferred from the University of North Dakota and another tax-exempt organization for investment management and administrative purposes. The funds are invested along with the organization's portfolio and offset by a liability to the organizations. The funds are to be distributed back to these organizations as they request them.

Part XIII Supplemental Information (continued)

Part V, line 4:

The Organization's endowment consists of approximately 1,500 individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the board to function as endowments. The long term goal of the endowment funds is to achieve a rate of growth sufficient to meet the Organization's spending needs, while maintaining the inflation-adjusted principal of the endowment funds.

Part X, Line 2:

The Organization follows the accounting standards for contingencies in evaluating uncertain tax positions. This guidance prescribes recognition threshold principles for the financial statement recognition of tax positions taken or expected to be taken on a tax return that are not certain to be realized.
